Except as otherwise required under applicable law, in no event shall any Limited Partner be required to make a Capital Contribution in excess of such Limited Partner's Capital Contribution as shown on the attached Schedule of Partners.

2.2 Admission of Additional Limited Partners. After the date of this Agreement the General Partner may issue additional Interests in the Partnership to one or more Persons and admit each such Person(s) to the Partnership as a Limited Partner; *provided, however*, that the General Partner shall not issue such Interests unless (i) the Partnership has received an instrument of joinder, in form acceptable to the General Partner, executed by that Person pursuant to which such Person has agreed to be bound by the terms of this Agreement; (ii) that Person has made the Capital Contribution, if any, required by the General Partner; and (iii) that Person has provided such other information or agreements, if any, as the General Partner may require. Notwithstanding the Percentage Interest set forth on the Schedule of Partners, all distributions shall be made:

- (a) 80% to the Limited Partners in proportion to the Partnership Interest as set forth on the Schedule of Partners ("LP Distribution") and 20% to the General Partner until the Limited Partners receive total distributions equal to the Limited Partners' Preferred Return plus the Limited Partners' Capital Contribution; and
- (b) The Partnership shall deposit into a separate cash checking account controlled by the General Partner an annual payment equal to the summation of: (a) the LP Distribution; and (b) 100% of distributable proceeds, if any, from the liquidation of real assets of the Partnership or subsidiaries (the "Preferred Payment"). Monies from this separate cash checking account is intended for the purchase Limited Partners' Interests. Upon the later of the approval date of each Member's I-829 petition or the three (3) year anniversary of each Member's I-526 approval, the Partnership intends to use all accumulated Preferred Payment to purchase each Limited Partner's Interest. However there is no guarantee that the Partnership will actually use the Preferred Payment in this manner or that there will be any Preferred Payment available to do so.
- (c) Should any Limited Partner eventually receive total distributions equal to the Limited Partner's Preferred Return plus the Limited Partner's Capital Contribution, then the Limited Partner's interest in the Partnership shall be considered terminated. The Limited Partner shall have no further claims to the Partnership.

Each Partner's Percentage Interest shall be adjusted to take into account Termination of a Limited Partner's Interest as set forth in Section 2.4 hereof.

3.2 Tax Withholding. All amounts withheld or required to be withheld pursuant to the Code or any provision of any state, local or foreign tax law with respect to any payment, distribution or allocation to the Partners, and treated by the Code (whether or not withheld pursuant to the Code) or any such tax

law as amounts payable by or in respect of any Partner or any Person owning an interest, directly or indirectly, in such Partner, shall be treated as amounts distributed to the Partner with respect to which such amount was withheld pursuant to this ARTICLE III for all purposes under this Agreement. The General Partner is authorized to withhold from distributions, or with respect to allocations, to the Partners and to pay over to any federal, state, local or foreign government any amounts required to be so withheld pursuant to the Code or any provisions of any other federal, state, local or foreign law and shall allocate any such amounts to the Partners with respect to which such amounts were withheld.

3.3 Allocations. Except as otherwise provided pursuant to Section 3.4 hereof, the Partnership's Profits and Losses shall be allocated in accordance with this Section 3.3. In the event the Partners' Percentage Interests change during any year, such allocations shall be made in accordance with Section 706(d) of the Code by taking into account the Partners' varying interests.

(a) Profits. After giving effect to the Regulatory Allocations, until such time that the Limited Partners have received total distributions equal to the Limited Partners' Preferred Return plus the Limited Partners Capital Contributions, 80% of the profits for any Allocation Year may be allocated to the Limited Partners in proportion to their percentage interest as set forth on the Schedule of Partners and 20% to the General Partner. Should any Limited Partner eventually receive total distributions equal to the Limited Partner's Preferred Return plus the Limited Partner's Capital Contribution, then the Limited Partner's interest in the Partnership shall be considered terminated, and 100% of profits for any Allocation Year will be allocated to the General Partner. The Percentage Interest of each Partner shall be adjusted to take into account the Termination of a Limited Partner's Interest as set forth in Section 2.4 hereof.

(b) Losses. After giving effect to the Regulatory Allocations, Losses for any Allocation Year shall be allocated to the Partners, as set forth in Section 3.3(a) above.

(c) For purposes of determining the Profits, Losses, or any other items allocable to any period, Profits, Losses and any such other items shall be determined on a daily, monthly or other basis, as determined by the General Partner using any permissible method under Code Section 706 and the Regulations thereunder.

The Partners are aware of the income tax consequences of the allocations made by this ARTICLE III and hereby agree to be bound by the provisions of this ARTICLE III in reporting their shares of Partnership income and loss for income tax purposes.

3.4 Special Allocations. The following special allocations shall be made in the following order:

a. Qualified Income Offset. If any Partner who is not a General Partner unexpectedly receives any adjustments, allocations or distributions described in Regulations Sections 1.7041(b)(2)(ii)(d)(4), 1.7041(b)(2)(ii)(d)(5) or 1.7041(b)(2)(ii)(d)(6), items of Partnership income and gain shall be specially allocated to each such Partner in an amount and manner sufficient to eliminate, to the extent required by the Regulations, the Adjusted Capital Account Deficit of such Partner as quickly as possible, provided that an allocation pursuant to this Section 3.4(a) shall be made if and only to the extent that such Partner would have an Adjusted Capital Account Deficit after all other allocations provided for in this Article IV have been tentatively made as if this Section 3.4(a) were not in the Agreement.

b. Gross Income Allocation. If any Partner who is not a General Partner has an Adjusted Capital Account Deficit at the end of any Allocation Year, each shall be specially allocated items of Partnership income and gain in the amount of such excess as quickly as possible, provided that an allocation pursuant to this Section 3.4(b) hereof shall be made if and only to the extent that such Partner would have a deficit Capital Account in excess of such sum after all other allocations provided for in this ARTICLE III have been tentatively made as if Section 3.4(a) hereof and this Section 3.4(b) were not in the Agreement.

c. Section 754 Adjustment. To the extent an adjustment to the adjusted tax basis of any Partnership asset pursuant to Code Section 734(b) or Section 743(b) is required, pursuant to Regulations Section 1.7041(b)(2)(iv)(m)(2) or Section 1.7041(b)(2)(iv)(m)(4), to be taken into account in determining Capital Accounts as the result of a distribution to a Partner in complete liquidation of his Interest, the amount of such adjustment to the Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis) and such gain or loss shall be specially allocated to Partners in accordance with their Interests in the event that Regulations Section 1.7041(b)(2)(iv)(m)(2) applies, or to the Partners to whom such distribution was made in the event that Regulations Section 1.7041(b)(2)(iv)(m)(4) applies.

3.5 Curative Allocations. The allocations set forth in Section 3.4(a), Section 3.4(b) and Section 3.4(c) hereof (the "**Regulatory Allocations**") are intended to comply with certain requirements of the Regulations. It is the intent of the Partners that, to the extent possible, all Regulatory Allocations shall be offset either with other Regulatory Allocations or with special allocations of other items of Partnership income, gain, loss or deduction pursuant to this Section 3.5. Therefore, notwithstanding any other provision of this ARTICLE III (other than the Regulatory Allocations), the General Partner shall make such offsetting special allocations of Partnership income, gain, loss or deduction in whatever manner it determines appropriate so that, after such offsetting allocations are made, each Partner's Capital Account balance is, to the extent possible, equal to the Capital Account balance such Partner would have had if the Regulatory Allocations were not part of the Agreement and all Partnership items were allocated pursuant to Section 3.3 hereof.

IV. - MANAGEMENT

8.2 Permitted Transfers. Subject to the following conditions, a Limited Partner may at any time Transfer all or any portion of its Interest (any Transfer of such Interest satisfying such conditions precedent is referred to herein as a “**Permitted Transfer**”). A Transfer shall not be treated as a Permitted Transfer unless and until the following conditions are satisfied:

a. Except in the case of a Transfer of an Interest at death or involuntarily by operation of law, the transferor and transferee shall execute and deliver to the Partnership such documents and instruments of conveyance as may be necessary or appropriate in the opinion of counsel to the Partnership to effect such Transfer and to confirm the agreement of the transferee to be bound by the provisions of this ARTICLE VIII. In the case of a Transfer of an Interest at death or involuntarily by operation of law, the Transfer shall be confirmed by presentation to the Partnership of legal evidence of such Transfer in form and substance satisfactory to counsel to the Partnership. In all cases, the Partnership shall be reimbursed by the transferor and/or transferee for all costs and expenses that it reasonably incurs in connection with such Transfer.

b. Except in the case of a Transfer of an Interest at death or involuntarily by operation of law, unless such requirement is waived by the General Partner the transferor shall furnish to the Partnership an opinion of counsel, which counsel and opinion shall be satisfactory to the Partnership, that the Transfer will not cause the Partnership to terminate for federal income tax purposes.

c. The transferor and transferee shall furnish the Partnership with the transferee's taxpayer identification number and sufficient information to determine the transferee's initial tax basis in the Interest transferred, and any other information reasonably necessary to permit the Partnership to file all required federal and state tax returns and other legally required information statements or returns. Without limiting the generality of the foregoing, the Partnership shall not be required to make any distribution otherwise provided for in this Agreement with respect to any transferred Interest until it has received such information.

d. Except in the case of a Transfer of an Interest at death or involuntarily by operation of law, and unless such requirement is waived by the General Partner, the transferor shall provide an opinion of counsel, which opinion and counsel shall be satisfactory to the Partnership, to the effect that such Transfer is exempt from all applicable registration requirements and that such Transfer will not violate any applicable laws regulating the Transfer of securities.

e. Except in the case of a Transfer of an Interest at death or involuntarily by operation of law, the transferor shall provide, at the election of the General Partner, an opinion of counsel, which opinion and counsel shall be reasonably satisfactory to the other Partners, to the effect that such Transfer will not cause the Partnership to be deemed to be an “investment company” under the Investment Company Act of 1940, as amended.

8.3 Prohibited Transfers. Any purported Transfer of an Interest that is not a Permitted Transfer shall be null and void and of no force or effect whatsoever, provided that, if the Partnership is required to recognize a Transfer that is not a Permitted Transfer (or if the Partnership, in its sole discretion, elects to recognize a Transfer that is not a Permitted Transfer), the Interest transferred shall be strictly limited to the transferor's rights to allocations and distributions as provided by this Agreement with respect to the transferred Interest, which allocations and distributions may be applied (without limiting any other legal

or equitable rights of the Partnership) to satisfy the debts, obligations or liabilities for damages that the transferor or transferee of such Interest may have to the Partnership. In the case of a Transfer or attempted Transfer of an Interest that is not a Permitted Transfer, the parties engaging or attempting to engage in such Transfer shall be liable to indemnify and hold harmless the Partnership and the Partners from all cost, liability and damage that any of such indemnified Persons may incur (including, without limitation, incremental tax liability and lawyers' fees and expenses) as a result of such Transfer or attempted Transfer and efforts to enforce the indemnity granted hereby.

8.4 Rights of Unadmitted Assignees. A Person who acquires an Interest but who is not admitted as a substituted Limited Partner pursuant to Section 8.5 hereof shall be entitled only to allocations and distributions with respect to such Interest in accordance with this Agreement, and shall (i) have no right to any information or accounting of the affairs of the Partnership, (ii) not be entitled to inspect the books or records of the Partnership, and (iii) not have any of the rights of the General Partner or a Limited Partner under the Act or this Agreement.

8.5 Admission of Assignees as Partners. Subject to the other provisions of this ARTICLE VIII, a transferee of an Interest may be admitted to the Partnership as a substituted Limited Partner only upon satisfaction of the conditions set forth below in this Section 8.5:

d. The transferee pays or reimburses the Partnership for all reasonable legal, filing, and publication costs that the Partnership incurs in connection with the admission of the transferee as a Limited Partner with respect to the transferred Interest;

e. The transferee provides the Partnership with evidence satisfactory to counsel for the Partnership that (i) such transferee is acquiring its Interest based upon its own investigation, (ii) such transferee's acquisition of its Interest is being made for its own account for investment and not with a view to the sale or distribution thereof, and (iii) such transferee is a sophisticated investor possessing an expertise in analyzing the benefits and risks associated with acquiring investments that are similar to the acquisition of its Interest; and

f. If the transferee is not an individual of legal majority, the transferee provides the Partnership with evidence satisfactory to counsel for the Partnership of the authority of the transferee to become a Partner and to be bound by the terms and conditions of this Agreement.

8.6 Covenants and Representations Regarding Transfers.

Each Partner hereby covenants, represents and agrees with the Partnership, for the benefit of the Partnership and all Partners, that (i) he is not currently making a market in the Interests, (ii) he will not

Transfer any Interest on an established securities market or a secondary market (or the substantial equivalent thereof) within the meaning of Code Section 7704(b) (and any Regulations, proposed regulations, revenue rulings, or other official pronouncements of the Internal Revenue Service or the Treasury Department that may be promulgated or published thereunder), and (iii) in the event such Regulations, revenue rulings, or other pronouncements treat any or all arrangements that facilitate the selling of partnership interests and that are commonly referred to as "matching services" as being a secondary market or substantial equivalent thereof, he will not Transfer any Interest through a matching service that is not approved in advance by the Partnership. Each Partner further agrees that he will not Transfer any Interest to any Person unless such Person agrees to be bound by this Section 8.6 and to Transfer such Interest only to Persons who agree to be similarly bound. The Partnership shall, from time to time and at the request of a Partner, consider whether to approve a matching service and shall notify all Partners of any matching service that is so approved.

8.7 Distributions and Allocations with Respect to Transferred Interests. If any Interest is sold, assigned or Transferred during any Allocation Year in compliance with the provisions of this ARTICLE VIII, Profits, Losses, each item thereof, and all other items attributable to such Interest for such Allocation Year shall be divided and allocated between the transferor and the transferee by taking into account their varying Interests during such Allocation Year in accordance with Code Section 706(d), using any conventions permitted by law and selected by the General Partner. All distributions on or before the date of such Transfer shall be made to the transferor, and all distributions thereafter shall be made to the transferee. Solely for purposes of making such allocations and distributions, the Partnership shall recognize such Transfer not later than the end of the calendar month during which it is given notice of such Transfer, provided that, if the Partnership is given notice of a Transfer at least ten (10) Business Days prior to the Transfer, the Partnership shall recognize such Transfer as of the date of such Transfer, and provided further that, if the Partnership does not receive a notice stating the date such Interest was transferred and such other information as the General Partner may reasonably require within thirty (30) days after the end of the Allocation Year during which the Transfer occurs, then all of such items shall be allocated, and all distributions shall be made, to the Person who, according to the books and records of the Partnership, was the owner of the Interest on the last day of the Allocation Year during which the Transfer occurs. Neither the Partnership nor any General Partner shall incur any liability for making allocations and distributions in accordance with the provisions of this Section 8.7, whether or not the General Partner or the Partnership has knowledge of any Transfer of ownership of any Interest.

IX. - GENERAL PARTNER

9.1 Covenant Not to Withdraw, Transfer or Dissolve. Except as otherwise permitted by this Agreement, the General Partner hereby covenants and agrees not to (i) take any action to file a certificate of dissolution or its equivalent with respect to itself, (ii) take any action that would cause a Voluntary Bankruptcy of the General Partner, (iii) withdraw or attempt to withdraw from the Partnership, (iv) exercise any power under the Act to dissolve the Partnership, (v) Transfer all or any portion of its Interest as a General Partner other than in accordance with Section 9.2 hereof, or (vi) petition for judicial dissolution of the Partnership. A transferee of an Interest from a General Partner hereunder shall be admitted as a General Partner with respect to such Interest if, but only if, (i) at the time of such Transfer, such transferee is otherwise a General Partner or (ii) the transferee is a Wholly Owned Affiliate of the transferring General Partner and all of the other General Partners, if any, consent to such admission.

A transferee who acquires an Interest from a General Partner hereunder by means of a Transfer that is permitted under this Section 9.2, but who is not admitted as a General Partner, shall have no authority to act for or bind the Partnership, to inspect the Partnership's books or otherwise to be treated as a General Partner, but such transferee shall be treated as a Partner who acquired an Interest in a Permitted Transfer under ARTICLE VIII hereof.

9.3 Prohibited Transfers. Any purported Transfer of any Interest held by a General Partner that is not permitted by Section 9.2 hereof shall be null and void and of no force or effect whatsoever, provided that, if the Partnership is required to recognize a Transfer that is not so permitted (or if the Partnership, in its sole discretion, elects to recognize a Transfer that is not so permitted), the Interest transferred shall be strictly limited to the transferor's rights to allocations and distributions as provided by this Agreement with respect to the transferred Interest, which allocations and distributions may be applied (without limiting any other legal or equitable rights of the Partnership) to satisfy the debts, obligations or liabilities for damages that the transferor or transferee of such Interest may have to the Partnership. In the case of a Transfer or attempted Transfer of an Interest that is not permitted by Section 9.2 hereof, the parties engaging or attempting to engage in such Transfer shall be liable to indemnify and hold harmless the Partnership and the other Partners from all cost, liability and damage that any of such indemnified Persons may incur (including, without limitation, incremental tax liability and lawyers' fees and expenses) as a result of such Transfer or attempted Transfer and efforts to enforce the indemnity granted hereby.

- c. The happening of any other event that makes it unlawful, impossible or impractical to carry on the business of the Partnership; or

The withdrawal of a sole General Partner or any other event that causes a sole remaining General Partner to cease to be a general partner under the Act, provided that any such withdrawal or other event shall not constitute a Liquidating Event and the business of the Partnership shall continue if, within 180 days of such withdrawal or other event, a Majority in Interest of the Limited Partners appoint a successor General Partner, effective as of the date the former sole General Partner ceased to serve as General Partner.

The Partners hereby agree that, notwithstanding any provision of the Act, the Partnership shall not dissolve prior to the occurrence of a Liquidating Event.

11.2 Winding Up. Upon the occurrence of a Liquidating Event, the Partnership shall continue solely for the purposes of winding up its affairs in an orderly manner, liquidating its assets and satisfying the claims of its creditors and Partners, and no Partner shall take any action that is inconsistent with, or not necessary to or appropriate for, the winding up of the Partnership's business and affairs. To the extent not inconsistent with the foregoing, all covenants and obligations in this Agreement shall continue in full force and effect until such time as the Partnership's property has been distributed pursuant to this Section 11.2 and the Certificate has been cancelled in accordance with the Act. The General Partner (or, if there is no remaining General Partner, any person elected by a Majority in Interest of the Limited Partners) shall be responsible for overseeing the winding up and dissolution of the Partnership, shall take full account of the Partnership's liabilities and Property, shall cause the Property to be liquidated as promptly as is consistent with obtaining the fair value thereof and shall cause the proceeds therefrom, to the extent sufficient therefor, to be applied and distributed in the following order:

Any such notice shall be deemed to be delivered, given, and received for all purposes as of the date so sent.

12.3 Binding Effect. Except as otherwise provided in this Agreement, every covenant, term and provision of this Agreement shall be binding upon, and inure to the benefit of, the Partners and their respective heirs, legatees, legal representatives, successors, transferees and assigns.

12.4 Construction. Every covenant, term and provision of this Agreement shall be construed simply according to its fair meaning and not strictly for or against any Partner. The terms of this Agreement are intended to embody the economic relationship among the Partners and shall not be subject to modification by, or be conformed with, any actions by the Internal Revenue Service except as this Agreement may be explicitly so amended and except as may relate specifically to the filing of tax returns.

12.5 Headings. Section and other headings contained in this Agreement are for reference purposes only and are not intended to describe, interpret, define or limit the scope, extent or intent of this Agreement or any provision hereof.

12.6 Severability. Every provision of this Agreement is intended to be severable. If any term or provision hereof is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity or legality of the remainder of this Agreement.

12.7 Incorporation by Reference. Every exhibit, schedule and other appendix attached to this Agreement and referred to herein is not incorporated in this Agreement by reference unless this Agreement expressly otherwise provides.

12.8 Further Action. Each Partner, upon the request of any General Partner, agrees to perform all further acts and execute, acknowledge and deliver any documents that may be reasonably necessary, appropriate or desirable to carry out the provisions of this Agreement.

12.9 Governing Law. The laws of the State of Ohio shall govern the validity of this Agreement, the construction of its terms and the interpretation of the rights and duties of the Partners.

12.10 Waiver of Action for Partition; No Bill for Partnership Accounting. Each of the Partners irrevocably waives any right that he may have to maintain any action for partition with respect to any of the Partnership Property. To the fullest extent permitted by law, each Partner covenants that it will not (except with the consent of the General Partner) file a bill for Partnership accounting.

12.11 Counterpart Execution. This Agreement may be executed in any number of counterparts with the same effect as if all of the Partners had signed the same document. All counterparts shall be construed together and shall constitute one agreement.

12.12 Sole and Absolute Discretion. Except as otherwise provided in this Agreement, all actions that the General Partner may take and all determinations that the General Partner may make pursuant to this Agreement may be taken and made at the sole and absolute discretion of the General Partner.

12.13 Specific Performance. Each Partner agrees with the other Partners that the other Partners would be irreparably damaged if any of the provisions of this Agreement are not performed in accordance with their specific terms and that monetary damages would not provide an adequate remedy in such event. Accordingly, it is agreed that, in addition to any other remedy to which the non-breaching Partners may be entitled, at law or in equity, the non-breaching Partners shall be entitled to injunctive relief to prevent breaches of the provisions of this Agreement and specifically to enforce the terms and provisions hereof in any action instituted in any court of the United States or any state thereof having subject matter jurisdiction thereof.

COUNTERPART SIGNATURE PAGE AND ATTESTATION

By signing below, the undersigned is hereby made a party to the Agreement of Limited Partnership of GSC OPPORTUNITIES, L.P. (the "**Partnership**"), as such Agreement of Limited Partnership is in effect on the date hereof and as it is from time to time amended and/or restated hereafter (the "**Partnership Agreement**"), as a "Limited Partner" thereunder (subject to Redemption under Section 2.4 thereof), and the undersigned hereby agrees to be bound by and to comply with the terms of the Partnership Agreement. Certain terms used and not otherwise defined herein shall have the meanings given to such terms in the Partnership Agreement.

The undersigned hereby acquires a \$500,000 Interest, in the form of a Capital Contribution, with voting rights as set forth in the Partnership Agreement.

The undersigned hereby represents and warrants to the Partnership:

1. The undersigned understands that: (i) the limited partnership interests ("**Interests**") constitute a speculative investment involving a high degree of risk of loss by the undersigned of the undersigned's investment therein, and (ii) there are substantial restrictions on the transferability of the Interests. Accordingly, it may not be possible for the undersigned to liquidate the undersigned's investment in the Partnership in case of emergency.
2. The undersigned is able: (i) to bear the complete loss of this investment, and (ii) to hold the Interests for an indefinite period of time. The undersigned represents that the undersigned has adequate means of providing for the undersigned's current needs and possible personal contingencies and that the undersigned has no need for liquidity in this particular investment.
3. The undersigned has such knowledge and experience in financial and business matters that the undersigned is able to evaluate the risks in any investment in the Partnership. The undersigned acknowledges that the undersigned has been advised to discuss this investment with the undersigned's legal or other professional advisors, or with other investment representatives who have knowledge of business and financial matters. If the undersigned has not done so it is because, in the undersigned's opinion, the undersigned is personally capable of evaluating this investment and the Partnership and does not need the advice of other persons. The undersigned and, to the extent deemed necessary by the undersigned, any of the persons mentioned above have been afforded the opportunity to ask questions concerning this investment of officers of the Partnership and its general partner and have been furnished with such information with respect to the Partnership and its proposed operations as the undersigned has requested to the undersigned's satisfaction.
4. The Interests are being acquired for the undersigned's own personal account for investment and not with a view toward dividing the undersigned's interests therein with others or reselling or otherwise disposing of all or any part of the same, or toward the distribution thereof within the meaning of the Securities Act of 1933, as amended (the "**Act**"), the Securities

Exchange Act of 1934, as amended (the "Exchange Act"), or applicable securities laws of any other jurisdiction (which, together with the Act and the Exchange Act, and all rules and regulations promulgated thereunder, are hereinafter referred to as the "Securities Laws").

5. The undersigned is an "accredited investor" as such term is defined in the Securities Laws.

The foregoing representations, warranties, and undertakings are made by the undersigned with the intent that they be relied upon by the Partnership in determining the undersigned's suitability as an investor in the Partnership. The undersigned hereby agrees that such representations and warranties shall survive the undersigned becoming an interest holder in the Partnership. The undersigned further agrees to indemnify and hold harmless the Partnership, its partners, officers, attorneys, agents, and each other interest holder from any damages, claims, expenses, losses, or actions resulting from the untruth of any of the warranties and representations contained in this attestation.
